# HALF-HUNTER POCKET-WATCH, SMALL SECONDS, HAND-WINDING

Calibre 151B, up to 40-hour autonomy.

0151

# OPERATING INSTRUCTIONS

**The crown has two distinct positions:**

**Position A**, crown in manual-winding position.

**Position B**, crown pulled out to time-setting position, enabling adjustment of the hours and minutes.

Push the crown back in to position A once the time has been set.

This model is not water-resistant.
