BLANCPAIN
MANUFACTURE DE HAUTE HORLOGERIE

Your watch

**ULTRA-SLIM, DATE AND SMALL SECONDS,
POWER-RESERVE INDICATION, HAND-WINDING
CALIBRE 11C5, UP TO 100-HOUR AUTONOMY.**

THE CROWN HAS THREE DISTINCT POSITIONS:

Position A, crown in manual-winding position.

Position B, fast date-setting position: for rapid date adjustment.

Position C, crown pulled out to time-setting position, enabling adjustment of the hours and minutes. In this position the seconds hand can be locked by turning the crown very slightly backwards, enabling the watch to be synchronised with an hour signal.

Push the crown back in to position A once the time has been set.

TRIPLE-BLADE FOLDING CLASP (WITH PRONG)

Only Blancpain wristbands specially designed for this folding clasp should be used. For your safety and comfort, we advise you to have your new clasp fitted by an authorised Blancpain retailer. You can always then adjust the length of the wristband yourself.

OPENING

To open the fastening, place one finger on each side of the clasp and pull it upwards (Fig. 1). Proceed in the same manner to open the other blade (Fig. 2).

Fig. 1

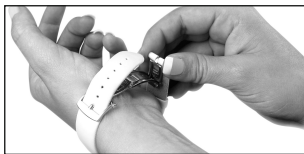

Fig. 2

CLOSING

Slip your Blancpain watch on your wrist and close the folding blades as indicated on figures 3 and 4.

Fig. 3

Fig. 4

ADJUSTING THE WRISTBAND:

Slide the section of the wristband into the clasp and insert the prong into the desired hole (Fig. 5). Move the prong to another hole if necessary.
